

# **HENNEPIN OVERLAND NEW DIVISIONS FORMING**

## **HO SCALE “Free-Mo” Division**

**We have partnered with the U of M Model Railroad Club to launch a “Free-Mo” division. We intend to construct, operate, & display a modular HO scale model railroad at our facility in south Minneapolis. Bring your own modules, or work on ours! If you’re interested in Free-Mo but don't have the space, knowledge, or resources to build your own module, or if you have your own modules but would like to operate more frequently, check us out!**

## **HOn3 Division**

**we are looking for individuals passionate about narrow gauge railroading who are interested in joining to construct an HOn3 model railroad from the ground up. We have the facilities and the resources; we just need you and your ideas!**

**Email [Treasurer@hennepinoverland.org](mailto:Treasurer@hennepinoverland.org) for more info!**
